

Flatbed Bodies

Pickup Deletes & Cab Chassis: The ultimate flexibility.

You can add: Hoists for dumping, rack sides to restrain cargo, sideboards to fully enclose the sides and back, tarps, tool boxes (underbody and topside), D-rings for securing cargo, rear diamond plate aprons to dress it up a bit or additional headboard lights and strobes. The possibilities are limitless—and they all start with an economical base body that will outlast your truck. Just need a basic replacement bed? The DuraMag pickup delete is a favorite replacement body for rusted or damaged pickup beds. Great looks and function at an affordable price.
