

Headache Racks & Accessories

Magnum racks are designed to keep your truck looking tough while keeping your windows and cargo safe. Each and every part is custom designed to fit your bed specifications simply and securely so your truck can stand out.

Why Magnum

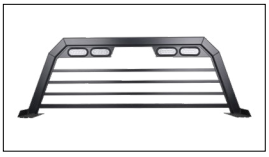

- Ultra-durable, all-aluminum racks, rails, and accessories
- Hand built in the USA with custom jigs for that perfect fit to truck cabs
- Sturdy one-piece fully welded mounting feet – no extra mounting kits required
- DOT approved LED lighting
- Magnum Glide Track system on racks and rails to accommodate a wide range of sliding accessories
