

Enclosed Mower Body

Equipment secure and on the move.

Out on the job, you can do more when your equipment is easy to access—and worry less knowing it's safely enclosed. DuraMag Enclosed Mower Body is made to transport, load and unload valuable gear, and protect it from theft and damage. Stay organized and ready to respond with convenient, adjustable interior storage. Simplify transitions and avoid awkward bending with a sturdy extension ramp and generous side door.

Standard Features

Ramp streamlines loading and unloading

- Bifold rear door can be operated with one hand
- Fold-down 5' transition ramp extension supports smooth transitions
- Equipped with spring assist, chain supports, and dual stainless locking bars for stability
- 6" oval amber safety strobe lights activate from cab

Convenient side access door

- Full-height utility door features grab handle and easy open
- Sized to accommodate pallets, large tools, materials
- Retractable two-step facilitates safe entry and exit

Fold-down work and storage surface

- 18" deep, full-width folding shelf features retainer lip to contain spills, parts
- Stows fuel containers, supplies, and doubles as a mobile workstation

Versatile cargo storage

- Spring loaded stainless steel recessed D-rings evenly spaced in the floor for versatile cargo control

Extruded aluminum flooring

- Interlocking tongue and groove, tack-welded floor is rugged yet lightweight
- Rust-resistant, easy to clean, and impervious to oil and other liquids
- Nonskid coating optional
